Testimonials

Nice simple product

"I did not realize how nice it is to have my nightstand table top back; before' the CPAP machine, hose, and mask left little of it to use."

- Paul M, TX

What a Great little device

"I sleep on my grandma's sofa when visiting' - she has no end table, and likes all put up each morning... so this easy to assemble/disassemble portable CPAP table is perfect!"

- Sally W, VA

Arden succeeds again

"Arden's new Bedside CPAP table is a splendid compliment to their wonderful CPAP Hose Lift product. Both are blessed comfort aids to the drudgery of CPAP use - simple to use, lightweight, and portable."

-Tony P, FL
